Emergency Officers' Retired List of the Army I
Elimination of certain Pennsylvania National Guard Officers II

I. An Act of Congress passed by a two-thirds vote of the Senate and House of Representatives on May 24, 1928, provides for an Emergency Officers' Retired List of the Army, to include all persons who have served as officers of the Army, Navy, or Marine Corps of the United States during the World War, other than as officers of the Regular Army, Navy or Marine Corps, who during such service have incurred physical disability in line of duty, and who have been, or may hereafter be, within one year, rated in accordance with law at not less than 30 per centum permanent disability by the United States Veterans' Bureau for disability resulting directly from such war service, and who shall make application for such retirement to the Director of the United States Veterans' Bureau.

II. Section 75, National Defense Act, requires a candidate for appointment as an officer to pass certain tests as to physical, moral and professional fitness, and the extending of Federal recognition is based upon his successful qualification, and Section 111, National Defense Act, requires all members of the National Guard, who may be drafted into Federal service, to be physically examined.

It appears to be inconsistent that Federally recognized officers, who are presumably physically qualified for combat service, should be placed on the Retired List on account of physical disability, and, in order that the efficiency of the Pennsylvania National Guard may not be impaired, in case of draft into Federal service, through the loss of officers by reason of physical disqualification, all officers, who have accepted or may accept the provisions of the Retirement Act, will tender their respective resignations.

By order of the Governor:

F. D. BEARY,
The Adjutant General.

I. ANNUAL FIELD TRAINING. PENNSYLVANIA NATIONAL GUARD.—Pursuant to the provisions of Section 92, National Defense Act, approved June 3, 1916, as amended by Section 2, Act of June 3, 1924, and in conformity with Training Memorandum No. 1, Third Corps Area, dated February 1, 1929, encampments for instruction in field training and target practice of the Pennsylvania National Guard will be held during periods scheduled in G. O. No. 3, A. G. O., c. s.

The field training period (Federal pay status) for the calendar year 1929 will be limited to 15 days where the travel to and from camp can be completed within the limits of the first and last days of the camp; organizations that are required to depart from their home stations before midnight in order to reach camp by 5 P. M. the following day will be allowed 16 days, and organizations requiring in excess of 24 hours one way travel will be allowed the maximum of 17 days.

The field training of organizations moving to and from camp by marching will be limited to 15 days, including the time consumed on the road.

The foregoing policy does not affect the attendance of camp supply personnel and advance and rear detachments.

(G. O. No. 16)

The attendance of officers, warrant officers or enlisted men at camp, or during periods other than specified in orders for their organizations or units is unauthorized, and will result in suspension of vouchers covering payments made therefor. This provision does not apply to officers and enlisted men of the State Staff Corps and Departments, Camp Supply Detachment, and Headquarters, 28th Division.

Commanding Officers of brigades, regiments, and similar organizations will make a careful study of instructions contained in Training Memorandum No. 1, Third Corps Area, dated February 1, 1929.

Commanding Officers of all units will familiarize themselves with the provisions of Circular No. 35-A-20, Militia Bureau, dated November 1, 1928, as amended.

All officers will make a careful study of Notes on National Guard Training for 1927-1928.

II. CAMP SUPPLY DETACHMENTS.—(a) The composition, strength and length of tour of Camp Supply Detachments at exclusively National Guard field training camps will not exceed the following:

(1) For camps of at least one regiment, but less than a brigade.—One officer and two enlisted men for three days prior to the opening of the camp, and two days following the close thereof.

(2) For camps of a brigade or larger.—Two officers and five enlisted men for six days prior to the opening of the camp, and four days following the close thereof.

(3) Camp Supply Detachments may be increased by the number of enlisted men necessary as truck drivers to service the authorized trucks as specified for camp purposes in paragraph 7, Circular No. 2, Militia Bureau, dated January 5, 1928.

(b) In camps of more than one 15-day period, the same supply personnel may be employed throughout the several periods, except that commissioned and enlisted personnel of the State Staff Corps and Departments may be distributed, as far as practicable, over the several periods as assistants to the Camp Supply Officer to reduce the size of the permanent detachment.

(c) The personnel of the Camp Supply Detachment will be paid on detachment pay rolls for the entire period of this service, payment being made at the end of each month if deemed necessary. Such rolls will be briefed to show the camp to which the detachment pertains, and the organization to which each individual belongs will be clearly indicated in the body of the roll. The names of the personnel assigned to the Camp Supply Detachment from the various organizations will be shown in the proper place on the rolls of the organizations to which they belong with the notations "Paid on Pay Roll of Camp Supply Detachment," appearing in column of remarks opposite their names.

(d) Supply personnel required to attend camp for a longer period than that embraced in the regular field training period of 15 days, and the additional time allowed for advance and rear detachments, must have prior authorization of the Militia Bureau for such attendance. Such personnel must be organized and carried as members of the Camp Supply Detachment for the full period of their attendance at camp.

III. ADVANCE AND REAR DETACHMENTS.—(a) Advance detachments of the strength and composition prescribed below will be authorized for a period of not to exceed three (3) days preceding the encampment:

	Officers	
(1) For a Division Headquarters,	1 Capt. or Lieut.	3
(2) For a Brigade Headquarters and Headquarters Company, Troop or Battery,	1 Capt. or Lieut.	3
(3) For a Regimental Headquarters and unlettered Companies,	1 Capt. or Lieut.	3 per Company
(4) For a Battalion,	1 Capt. or Lieut.	3 per Company
(5) For Medical Detachments, Regiment or Separate Battalion,	1 Capt. or Lieut.	3
(6) For an Air Squadron,	1 Capt. or Lieut.	6
(7) For Division Special Troops, Division Trains and other organizations equal to a battalion, the battalion allowance is authorized.		
(8) When less than a battalion trains at a separate camp, one officer (Captain or Lieutenant) is authorized in addition to the enlisted men of the companies.		

(b) Rear detachments of the same strength and composition as prescribed in (a) above for Advance Detachments may be authorized for a period of one day when need for such Detachments is apparent. In cases where rain during the last days of camp requires the striking, drying, packing and storage of tentage at camps, Rear Detachments may be authorized for an additional day, for which telegraphic request will be made to the Militia Bureau.

(c) Advance and rear detachments are not authorized for Headquarters (other than Division), State Staff or State Detachments.

(d) Advance and rear detachments must be organized and accounted for as such for the full period of the absence of the personnel thereof from the organizations to which they regularly belong.

(e) Where a service company, troop or battery is included among the organizations to attend a field training camp, the personnel for the advance and rear detachments should preferably be taken from such units, except that from the Medical Department.

(f) Medical Detachment Advance Details will be equipped to care for the emergency cases of injury or sickness which may occur in the Advance and Rear Detachments.

(g) A detachment pay roll will be prepared covering the advance detachment of each regiment or similar organization for the period authorized. A similar detachment roll will be prepared for the Rear Detachment. Such rolls will be briefed to show the regiment or similar organization to which the detachment pertains, whether Advance or Rear Detachments, and the organization to which each individual belongs will be clearly indicated in the body of the roll. The personnel of these detachments will be paid for the period of the encampment proper on the regular pay rolls of their organizations.

IV. STRENGTH REQUIREMENTS AND PAY ALLOWANCES FOR FIELD TRAINING.—(a) Particular attention is invited to the requirements of Paragraph 37, N. G. R. 45, which will govern. Any units not conforming to these requirements will not attend camp. Pay and allowances, as provided for in Section III, N. G. R. 58, is authorized, and will be paid by the U. S. Property and Disbursing Officer for the encampment periods as scheduled in G. O. No. 3, A. G. O. Pa., c. 3.

(b) All officers are entitled to rental allowances and will be required to furnish a certificate in duplicate that neither they nor their dependents were occupying public quarters during the period for which the pay is claimed. Blank forms for this purpose will be furnished by the U. S. Property and Disbursing Officer at the encampments and will be submitted with the Federal pay roll. (Dependents includes a wife, minor children, or a mother).

(G. O. No. 16)

(c) In view of the fact that it is necessary to first present all claims for additional rental and subsistence allowances on account of dependent mothers to the Comptroller General of the United States for decision, payment of claims of this character will not be made on the Federal pay roll. Subsequent settlement of same will be made by the U. S. Property and Disbursing Officer after they have been properly passed upon.

(d) During the fifteen day training period Strength Returns will be rendered daily by commanding officers of all regiments and similar organizations and separate units on A. G. O. Form No. 73, which will be supplied by the Commanding General, 28th Division.

V. DESIGNATION OF CAMP COMMANDERS.—(a). Major General *William G. Price, Jr.*, is charged with the training of all units of the Pennsylvania National Guard at the several camps and will make all necessary arrangements, etc. He is designated Camp Commander, at Mount Gretna, from July 6 to 27, 1929, and will make all necessary arrangements for program of instruction and issue all orders pertaining to the discipline and training of the various organizations during their tour of field duty.

(b) Brigadier General *Edward C. Shannon* is designated Camp Commander at Mount Gretna, from July 27 to August 10, 1929.

The above named officers will issue such orders as may be necessary to carry these orders into effect.

VI. REQUISITIONS FOR CLOTHING AND EQUIPMENT.—(a) It is important that all requisitions for clothing and equipment necessary to properly clothe the men and equip the organization for field training be submitted on Form Q. M. C. No. 47, in duplicate, to the U. S. Property and Disbursing Officer, State Arsenal, Harrisburg, at least thirty (30) days prior to the beginning of the encampment periods, in order that delivery may be definitely assured.

(b) When requisitions are made for property to replace articles which have become unserviceable through fair wear and tear in the public service, the unserviceable property must be shipped to the State Arsenal by freight on Government Bill of Lading, to be furnished by the U. S. Property and Disbursing Officer. Commanding Officers, when requesting bills of lading, will state the number of boxes, bundles, crates or packages, and furnish a list showing the contents and weight of each item.

(c) Shipping ticket prepared on Form Q. M. C. No. 62, in triplicate, to cover unserviceable property returned, will have a signed certificate placed thereon, stating the length of time the property was in use, and that it was worn out through fair wear and tear in the military service. Requisition, prepared on Q. M. C. Form No. 47, in duplicate, must accompany such shipping ticket if replacement is desired.

(d) Shipping ticket prepared on Form Q. M. C. No. 62, in triplicate, with an expenditure certificate thereon to cover medicines and surgical dressings consumed during the year, must accompany the requisitions, in duplicate, for medicines and surgical dressings for replenishing medical and surgical chests. Surgical instruments and appliances which have been lost or become unserviceable will be made the subject of a report of survey, as no replenishment requisition can be authorized other than by survey. This provision also applies to veterinary supplies, instruments and appliances.

(e) Surplus property in possession of an organization will be returned to the State Arsenal, Harrisburg, prior, to the encampment. No surplus or unserviceable property, except signal equipment, will be taken to the encampments for exchange.

(f) Emergency requisitions for individual equipment only, approved by the commanding Officer of a regiment or similar organization, will be accepted during an encampment period.

(g) No property audits will be made by the U. S. Property and Disbursing Officer during the months of July and August.

VII. PREPARATION OF CAMP SITE, at Mount Gretna.—Major *William L. Hicks*, Q.M.C., Superintendent, State Military Reservation, will prepare the Military Reservation for the encampments, and will make all necessary arrangements for the supply of motor and wagon transportation during the tour of field duty to the Motor Transport Officer in charge of the Motor Park.

VIII. DESIGNATION OF MOTOR TRANSPORT OFFICER, at Mount Gretna—Major *George P. Drake*, Q.M.C., Commanding 28th Division Train, is designated as Motor Transport Officer, at Mount Gretna, and will be in charge of the Motor Park and all motor and wagon transportation from July 6th to August 10th, 1929.

IX. CAMP SUPPLIES.—Lieutenant Colonel *Leo A. Luttringer*, Q.M.C., U. S. Property and Disbursing Officer, will arrange all contracts for the furnishing of necessary subsistence, forage, ice, wood, motor oil, gasoline, grease and other supplies, as authorized by Paragraphs 15 and 16, Circular No. 35-A-20, Militia Bureau, dated November 1, 1928, and for the issuing thereof and the accounting therefor at the encampments.

X. TRANSPORTATION.—(a) The U. S. Property and Disbursing Officer will make necessary arrangements for transportation by rail of all troops to the designated places of encampment and return to home stations, and will furnish each commanding officer with a train schedule governing the movement of his command. U. S. Government Transportation Requests will be used. The travel directed is necessary in the military service.

(b) U. S. Government Bills of Lading to cover all shipments of animals, equipment and material to encampments and return to home stations, will be furnished organization commanders by the U. S. Property and Disbursing Officer. Request therefor need not be made. Commercial or State Bills of Lading will not be used in connection with any movements of troops to or from the encampments.

(c) Complete instructions as to methods of using U. S. Government transportation Requests and Bills of Lading will be furnished by the U. S. Property and Disbursing Officer when these forms are issued. Strict adherence to these instructions without any deviation in any manner or for any reason is absolutely necessary.

(d) During the past year the Chief of Finance, Transportation Branch, the Militia Bureau and the U. S. Property and Disbursing Officer have been caused considerable embarrassment and much unnecessary correspondence resulting from the failure of designated transportation officers to properly accomplish Transportation Requests and Bills of Lading, thereby greatly delaying the settlement of claims of common carriers furnishing transportation services. The attention of all concerned is invited to N. G. R. Nos. 70, 71 and 72, and especially to Paragraphs 40 and 65 to 77, inclusive, N. G. R. No. 71.

(e) Travel by privately owned conveyance is authorized by Section I, Circular No 9-A-7, Militia Bureau, dated March 25, 1929, which refers to Changes to certain National Guard Regulations, at an allowance of 3 cents per mile for the distance over the shortest usually traveled route. Prior authority in each instance must be secured from The Adjutant General, who will issue the necessary travel orders.

XI. COMMUTATION OF RATIONS EN ROUTE TO CAMPS.—It being impracticable to furnish rations in kind for the journeys to the several camps, an allowance, as provided by Paragraph 15-a, Circular No. 35-A-20,

(G. O. No. 16)

Militia Bureau, dated November 1, 1928, of \$1.20 per day, or appropriate fractional part thereof, for cooked meals for each enlisted man, while traveling to the several camps, is authorized when such travel is performed and extends over regular meal hours. No allowance will accrue when the travel is performed between regular meal hours.

Attention is invited to Paragraph 14, Army Regulations No. 35-1340, which refers to the method of computing rations while on a travel status, as follows:

- (a) The day will be considered as beginning at midnight.
- (b) For 18 hours or over, in a travel status—one whole day.
- (c) For 12 hours or over, but less than 18 hours, in a travel status—two-thirds of a day.
- (d) For less than 12 hours in a travel status—one-third of one day.
- (e) No allowance will be paid for the first day of journey which begins after 6 P. M.

As rations in kind are issued for use up to and including the last day of the encampment periods no necessity exists for the purchase of travel rations for the return journey.

Unit commanders will submit receipted bills, in duplicate, for the amounts expended under this authority, together with a certificate, in duplicate, showing the number of men making the journey, hour of leaving home station, hour of arrival at camp, and number of meals purchased, to the U. S. Property and Disbursing Officer, who will make a refund of the amount actually expended, but in no instance to exceed forty (.40) cents per meal.

Unit Commanders making such purchases will place a signed statement on the certificate, in cases where the total amount of purchases is less than \$100.00, to the effect that there was no personal profit in the transaction, and in cases where such purchases exceed \$100.00, an affidavit to the same effect will be furnished. The statement or affidavit will state, in part, that the purchases were necessary for the reason that rations in kind were not available for use during the travel period.

A copy of the certificate referred to, showing the number of meals purchased and for which refund is to be claimed, will be furnished by the unit commander to the regimental adjutant, who will divide the number of meals purchased enroute during the first day of the camp period by three, and the result, representing the number of rations, will be deducted from the ration return, and the supply officer will reduce the rations issued in kind accordingly.

XII. REPORT OF ABSENTEES.—The Commanding officer of each company, troop, battery, or detachment, will determine, prior to leaving home station for camp, the cause of absence of any member or members of his command, and immediately after arrival in camp will submit to the regimental or separate battalion commander, for transmission to the instructor assigned to duty with organization, a detailed list of absentees, showing the cause of absence in each case.

XIII. SUBSISTENCE.—Rations in kind will be furnished for the periods as scheduled by the U. S. Property and Disbursing Officer for the encampments, and will be issued for five day periods, with the exception of perishable articles which will be issued daily.

Preliminary ration returns on Form P. & S. No. 223, (to be furnished by the U. S. Property and Disbursing Officer), for the first five day period for regimental or similar organizations, including rations for advance detachments, properly signed by the adjutant, and approved by the Commanding Officer, will be presented to the Subsistence Supply Officer at the camp by the com-

manding officer of the advance detachment, so that rations may be regularly issued for use by advance detachments and be available upon the arrival of the organization at the encampment.

Any rations issued during the first five day period in excess of or under the actual strength of an organization will be adjusted on the ration return presented for the second five day period.

Any rations for which commutation is claimed under Section XI of this order will be deducted from the ration return of the organization for the second five day period.

XIV. PREPARATION OF PAY ROLLS.—(a) Federal and State pay rolls will be completed and administered in the following manner:

(1) Seven copies (one original and six carbons) of pay rolls will be accomplished on Forms W.D. Nos. 378 and 378a, which will be furnished by the U. S. Property and Disbursing Officer at the encampment. No other form will be accepted. All carbon copies must be clear and legible. The pay rolls will be marked on page 1, on the top margin at the right hand side: Original-Federal; Duplicate-State; Triplicate-Federal; Quadruplicate-State; Quintuplicate-Federal; Sextuplicate-State; Septuplicate-State

(2) The original, duplicate and septuplicate copies will be signed by each officer and enlisted man. All signatures must be *GENUINE*. Triplicate and quadruplicate copies will have all signatures copied by typewriter in the spaces provided for signatures as to receipt of pay.

(3) Page 1, of Form W.D. No. 378, must have the certificates signed and oath completed on all copies. The U. S. Mustering Officer will sign the Mustering Officer's certificate on the original, triplicate and quintuplicate copies, and the State Mustering Officer will sign the duplicate, quadruplicate, sextuplicate and septuplicate copies.

(4) For each enlisted man claiming service pay under Section 32, Act of Assembly, approved May 17, 1921, a notation will be made in the remarks column of the payroll "Over (5, 10, 15 or 20) years service." The claim will be verified with records compiled from prior service as shown by enlistment records, and if incorrect, will be disallowed. The use of Form A.G.O. Pa. No. 4, previously used for this purpose, is discontinued.

(5) Immediately after muster of the unit, all copies of the pay roll will be submitted to the U. S. Property and Disbursing Officer, who will enter thereon the amount of U. S. pay due each officer and enlisted man, and will transmit the duplicate, quadruplicate, sextuplicate and septuplicate copies to The Adjutant General.

(6) The Adjutant General will cause to be entered thereon the amount of State pay due, i. e., the difference between U. S. pay and State pay, together with service pay, if claimed, due each enlisted man.

(7) Quintuplicate copy, showing the amounts of U. S. pay due, will be returned by the U. S. Property and Disbursing Officer to the unit commander.

(8) Sextuplicate copy, showing the amounts of State pay due, will be returned by the Adjutant General to the unit commander, together with the check of the State Treasurer for the total amount of State pay due on the pay roll.

(b) Organization and unit commanders will arrange for the appointment of non-commissioned officers, in all cases where possible, prior to encampment periods, thereby reducing the change of status of enlisted men dur-

(G. O. No. 16)

ing such periods to a minimum which will eliminate the necessity for remarks on pay rolls, assure more rapid computation of the amounts due and the payment thereof.

(c) Leave of absence to an officer or furlough to an enlisted man will not be granted during field training periods except under the most extenuating circumstances.

(d) Enlistment record for each enlisted man whose name appears on the pay roll of a unit must be on file in the Adjutant General's Office, otherwise payment of both Federal and State pay will be withheld until all papers are received.

XV. ACCIDENTS.—(a) All accidents resulting in personal injuries of any material nature will be promptly reported to The Adjutant General, who will furnish blank form of Employer's Report of Accident to Employee for accomplishment in duplicate. This report must be mailed so as to reach The Adjutant General not later than the tenth day of disability. Compensation will be allowed under the provisions of the Workmen's Compensation Act of the Commonwealth of Pennsylvania to all enlisted men injured in line of duty. Compensation will only be paid in cases not provided for under Section XVI of this order.

(b) Attention is especially invited to that portion of the Workmen's Compensation Act which refers to hernia cases and which reads as follows:

"Hernia shall be considered as a physical weakness or ailment, which ordinarily develops gradually, and shall not be compensable, unless conclusive proof is offered that the hernia was immediately precipitated by such sudden effort or severe strain that: first, the descent of the hernia immediately followed the cause; second, there was actual pain in the hernial region; third, the above manifestations were of such severity that the same were immediately noticed by the claimant and communicated to the employer, or a representative of the employer, within forty-eight hours after the occurrence of the accident."

XVI. HOSPITALIZATION.—(a) Only such cases as require medical or surgical treatment of a nature that cannot be administered or performed at the encampment will be sent to civilian hospitals for treatment. This action will be taken only on the recommendation of the Division Surgeon, or, in the absence of the Division Surgeon, on the recommendation of the Senior Medical Corps Officer of the regiment or similar organization. Report of hospitalization in civilian institutions will be made immediately to the U. S. Property and Disbursing Officer, through The Adjutant General, by the officer authorizing same, and will state the name, rank or grade, and organization of the officer or enlisted man so cared for, and the cause for hospitalization. In case of extraordinary emergency, Mount Gretna cases will be sent to the Lebanon Sanatorium, at Lebanon, and in cases less urgent they may be sent to the Lancaster General Hospital, at Lancaster, or Polyclinic Hospital, at Harrisburg. Tobyhanna cases will be sent to the Hahnemann Hospital or West Side Hospital Association, at Scranton. Expenses of hospitalization will be settled by the U. S. Property and Disbursing Officer in accordance with the provisions of National Guard Regulations No. 62, dated July 1, 1927.

(b) The commanding officer of each regiment or similar organization will appoint a board of not to exceed three officers, at least one of whom will be a medical officer, as required by Paragraphs 4 and 5, National Guard Regulations No. 62, whose duty it shall be to render a report, in triplicate, through channels, on M.B. Form No. 60, Report of Board in Case of Sickness or Injury, in all cases of disease or injury likely to require hospitalization while at camp or further treatment after arrival at home station.

(c) The commanding officer of the unit of which the sick or injured soldier is a member will secure statements for medical and surgical expenses and hospital services and supplies. These statements will be rendered in triplicate and itemized in detail, and will be forwarded to the U. S. Property and Disbursing Officer for settlement. All statements must be certified as follows:

"Certified correct and just payment not received."

XVII. ANNUAL PHYSICAL EXAMINATION OF OFFICERS.—

(a) The Commanding General, 28th Division, will arrange, through the Medical Corps, for the completion of the annual physical examination of officers as required by Paragraph 4, N. G. R. 27.

(b) These examinations will be completed at such times as will not interfere with the training program. All officers who have been examined subsequent to December 31, 1928, for either original or promotion appointments, need not be examined. Necessary blank forms (M.B. No. 63) will be furnished by the Commanding General, 28th Division. Original copy only is required.

(c) The greatest care will be exercised to properly complete these examinations in accordance with the provisions of N. G. R. 28. All blank spaces must be filled out as intended, so as to avoid the necessity of returning for completion.

(d) During the year 1928 approximately 25 per cent of these examinations were returned for correction or proper completion, thereby causing considerable delay and unnecessary correspondence. Failure in the future to properly complete these examinations will be reported to the Commanding General, 28th Division, to be entered against the efficiency ratings of the Medical Corps officers concerned.

(e) All examinations will be passed upon as to their completeness according to existing regulations by the Division Surgeon before forwarding to The Adjutant General.

XVIII. ANIMALS.—(a) The maximum allowances of animals (mounts and draft), as authorized by Paragraph 19, Circular No. 35-A-20, Militia Bureau, dated November 1, 1928, will not be exceeded.

(b) Privately owned mounts will not be brought to camp unless authority is obtained from The Adjutant General, in writing, in each individual case. Applications for such authority must be in the office of The Adjutant General not later than July 1, 1929. All private mounts must be malleined as required by Section XIX of this order.

XIX. MALLEINING OF ANIMALS.—(a) The malleining of all Federally owned and accepted animals will be completed within 21 days prior to their shipment from home stations to field training camps. The administration of this test is the duty of and will be made by Veterinary Corps officers assigned to the various regiments. When no Veterinary Corps officer is available for this duty an allowance of fifty cents per animal will be authorized.

(b) In the case of hired animals, the owner or contractor will furnish the certificate showing the malleining test has been properly completed within 21 days prior to delivery.

(c) In each case where the test has been given a certificate, prepared by the Veterinarian, will accompany all animals taken to an encampment, as follows:

.....
(Place) (Date)

(G. O. No. 16)

I certify that the following described animal, *Horse (or Mule)*, Sex....., Color....., Height....., Name....., Hoof Markings, Right Fore....., Left Fore....., pertaining to (Designation of Organization)..... (State)....., has been given the prescribed mallein treatment and the result, as observed by me on the above date, was satisfactory.

.....
(Signature)

.....
(Rank, if any) Registered Veterinarian.

(d) Mallein for testing all National Guard animals, together with certificates for use by veterinarians, will be furnished by the U. S. Property and Disbursing Officer upon requisition.

XX. RELATIVE RANK RECORD.—(a) In order that the Militia Bureau may have information available for the purpose of determining the relative rank of officers, a notation will be made, opposite each officer's name, in the remarks column of Form M.B. No. 100, Report of National Guard Duty Performed, e. g., "In camp under Federal pay from..... to....." These notations will be made on the first report rendered subsequent to the encampment period.

(b) During the year 1928 approximately 35 per cent of the units failed to enter this information on the reports, which necessitated the compiling of same from pay rolls on file in this office and furnishing same to the Militia Bureau. Failure in the future to properly furnish this information will be reported to the Commanding General, 28th Division, to be entered against the efficiency ratings of the unit commanders concerned.

XXI. WHITEWASHING OF TENT PINS PROHIBITED.—Experience has demonstrated that the whitewashing of tent pins has caused the loops on the tent ropes to rapidly deteriorate and rot, thereby necessitating considerable repairs. The whitewashing of tent pins is absolutely prohibited.

XXII. SPECIAL STATE PAY ROLLS.—In the event that the encampment periods of any of the units are in excess of fifteen (15) days, the length of time authorized by the Militia Bureau and as stated in G.O. No. 3, A.G.O. Pa., c.s., special pay rolls will be rendered, in quadruplicate, by these units on Form W.D. Nos. 378 and 378a for the days not included in the periods scheduled in said order.

Original and triplicate copies will be signed by each officer and enlisted man. Duplicate copy will have all signatures copied by typewriter.

The State Mustering Officer will sign the Mustering Officer's certificate on all copies. These pay rolls will be forwarded direct to The Adjutant General for settlement.

XXIII. FIELD TRAINING OF ASSIGNED RESERVISTS OF NATIONAL GUARD.—(a) As Federal appropriations for expenses at camps of instructions are based on the estimated attendance of the active National Guard, the attendance of assigned commissioned and enlisted National Guard Reservists at field training camps will be authorized by the Militia Bureau only as *replacements* of active personnel who are unable to attend.

(b) Special authority for such attendance must be obtained from the Militia Bureau in each case.

(c) Requests for such authority must state specifically:

(1) Name, with rank or grade, and assignment of National Guard Reservists whose attendance is desired, with specific duties to be performed.

(2) Name, with rank or grade, and assignment of active National Guardsmen to be replaced, with reason for non-attendance.

(d) In no case will the attendance of Assigned Reservists be permitted to increase the authorized active strength of any unit.

XXIV. TENTAGE.—Transportation officers will carefully check the loading of all equipment and pay particular attention to the item of tentage. Any tentage delivered to the transportation officer for shipment to home station of unit will not be accepted, unless it can be definitely shown that it was brought to the encampment by that organization. Any violations of the foregoing will be immediately reported to the U. S. Property and Disbursing Officer.

XXV. SIGNAL EQUIPMENT.—Commanding Officers of communications units will comply with the following instructions:

(a) All items of signal equipment will be included with the organizational shipment of property to the training camp at Mt. Gretna, i. e., all authorized serviceable signal equipment, as well as any surplus or unserviceable property in possession of the organization.

(b) During the 1927 encampment all units were furnished a set of five location signs made from material furnished by the U. S. Property and Disbursing Officer. Every communication unit must have at least this number of signs on hand at the 1929 encampment. The issue of these signs will not be repeated.

(c) Expenditure certificates for all dry batteries bearing dates of manufacture prior to 1928 will be furnished the U. S. Property and Disbursing Officer. Only 1928 dry batteries will be brought to camp.

(d) Signal Corps Training Manuals, Field Message Books, Radio Message Books, Message Center Registers and Delivery Lists will be brought to camp.

(e) All wire will be carefully tested and spliced prior to leaving for camp, and spools and reels filled ready for use.

(f) All wire used during the field training periods, for which the organizations are responsible, will be collected and returned to home stations.

By order of the Governor:

F. D. BEARY,
The Adjutant General.

Selection of Enlisted Men of National Guard for Ap- pointment to United States Military Academy ..	I
Eligibility for Appointment	II
Method of Selection	III
Scope of Examination	IV
Form of Application	V
Quarters	VI
Transportation	VII

I. Under the regulations for the selection of enlisted men of the National Guard for appointment to the United States Military Academy, and pursuant to authority contained in letter of The Adjutant General, War Department, dated August 28, 1929, (AG 351.11 West Point), there has been allotted to the Governor of Pennsylvania the selection of five candidates from the enlisted men of the Pennsylvania National Guard.

II. To be eligible for appointment from the National Guard the applicant must be an enlisted man of a unit of the Pennsylvania National Guard recognized by the Federal Government. He must, on the date of admission, July 1, 1930, have served as an enlisted man, not less than one year, must be between the ages of nineteen and twenty-two years, must be not less than five feet four inches in height. The age and service regulations are statutory, and cannot be waived or modified, but it is not essential that the service be continuous, so that former service in the National Guard may be counted in determining the applicant's eligibility.

III. Selection will be made according to the order of merit established in a preliminary examination to be conducted for The Adjutant General by the Superintendent of Public Instruction of the Commonwealth of Pennsylvania, which will be held in the House of Representatives, State Capitol, Harrisburg, Pa., on November 13th and 14th, 1929, at 9:00 o'clock A. M., (Eastern Standard Time).

There is no limitation to the number who may compete in the preliminary examination, and it is suggested this matter be invited to the attention of all concerned, so that every enlisted man who is eligible as to age, educational qualifications, and length of service may be afforded an opportunity to take the examination.

The candidates so selected will be authorized by the War Department to report for the regular entrance examination, which is scheduled to be held beginning on March 4, 1930, and the appointments will be available on July 1, 1930.

IV. The preliminary examination will include subjects, as follows:

- (a) Algebra, to include quadratic equations.
- (b) Plane Geometry.
- (c) English Grammar, Composition and Literature.
- (d) History:
 - Part 1. History of the United States.
 - Part 2. General History.
- (e) Current Events.

V. Enlisted men who desire to compete in the preliminary examination will forward their applications, approved by their commanding officers, so as to reach The Adjutant General, State Capitol, Harrisburg, Pa., not later than November 6, 1929, stating therein the following:

- (a) Name in full (first, middle, last).
- (b) Grade.
- (c) Designation of organization.
- (d) Date of current enlistment.
- (e) Prior service (if none, so state).
- (f) Date of birth.
- (g) Permanent post office address.
- (h) Educational qualifications.

Each application MUST BE accompanied by a birth certificate issued by a Registrar of Vital Statistics.

Unless the applicant has a high school education, or its equivalent, the application will not be considered.

Commanding officers must approve all applications, the approval to include a statement as to the moral character and military conduct of the applicant, and forward same direct to this office.

Applications must be accompanied by a physical examination, made by a Medical Corps Officer of the National Guard or a reputable civilian physician, recorded on M. B. Form No. 21, Enlistment Record.

VI. Quarters will be furnished all applicants by The Adjutant General at the State Arsenal, 18th and Herr Streets, Harrisburg, Pa., and will be available November 12th and 13th, 1929. Captain *Guy M. Williams*, Q. M. C., will be in charge and make all assignments. Each applicant must furnish his own towels and toilet articles.

VII. State transportation requests will be furnished by The Adjutant General to all applicants for the preliminary examination for the necessary travel from home stations to Harrisburg, Pa., and return. All other expenses must be borne by the applicants. These expenses may not be paid from Annual Allowance Funds.

By order of the Governor:

F. D. BEARY,
The Adjutant General.
